Strengthening Relationships with our Regulatory Partners

St. Louis, Missouri

May 8-9, 2019

MISSOURI
DEPARTMENT OF
NATURAL RESOURCES

The background of the slide is a photograph of the Gateway Arch in St. Louis, Missouri. The arch is a large, white, catenary-shaped structure that curves across the sky. In the foreground, two flagpoles are visible. The one on the right holds the United States flag, which is waving. The one on the left holds a Missouri state flag, also waving. The sky is a clear, bright blue.

Achieving Greater Success Through Strong Partnerships

Defense Environmental Restoration Program Forum

Keynote Speaker: Katie Jo Wheeler
