U.S. AIR FORCE

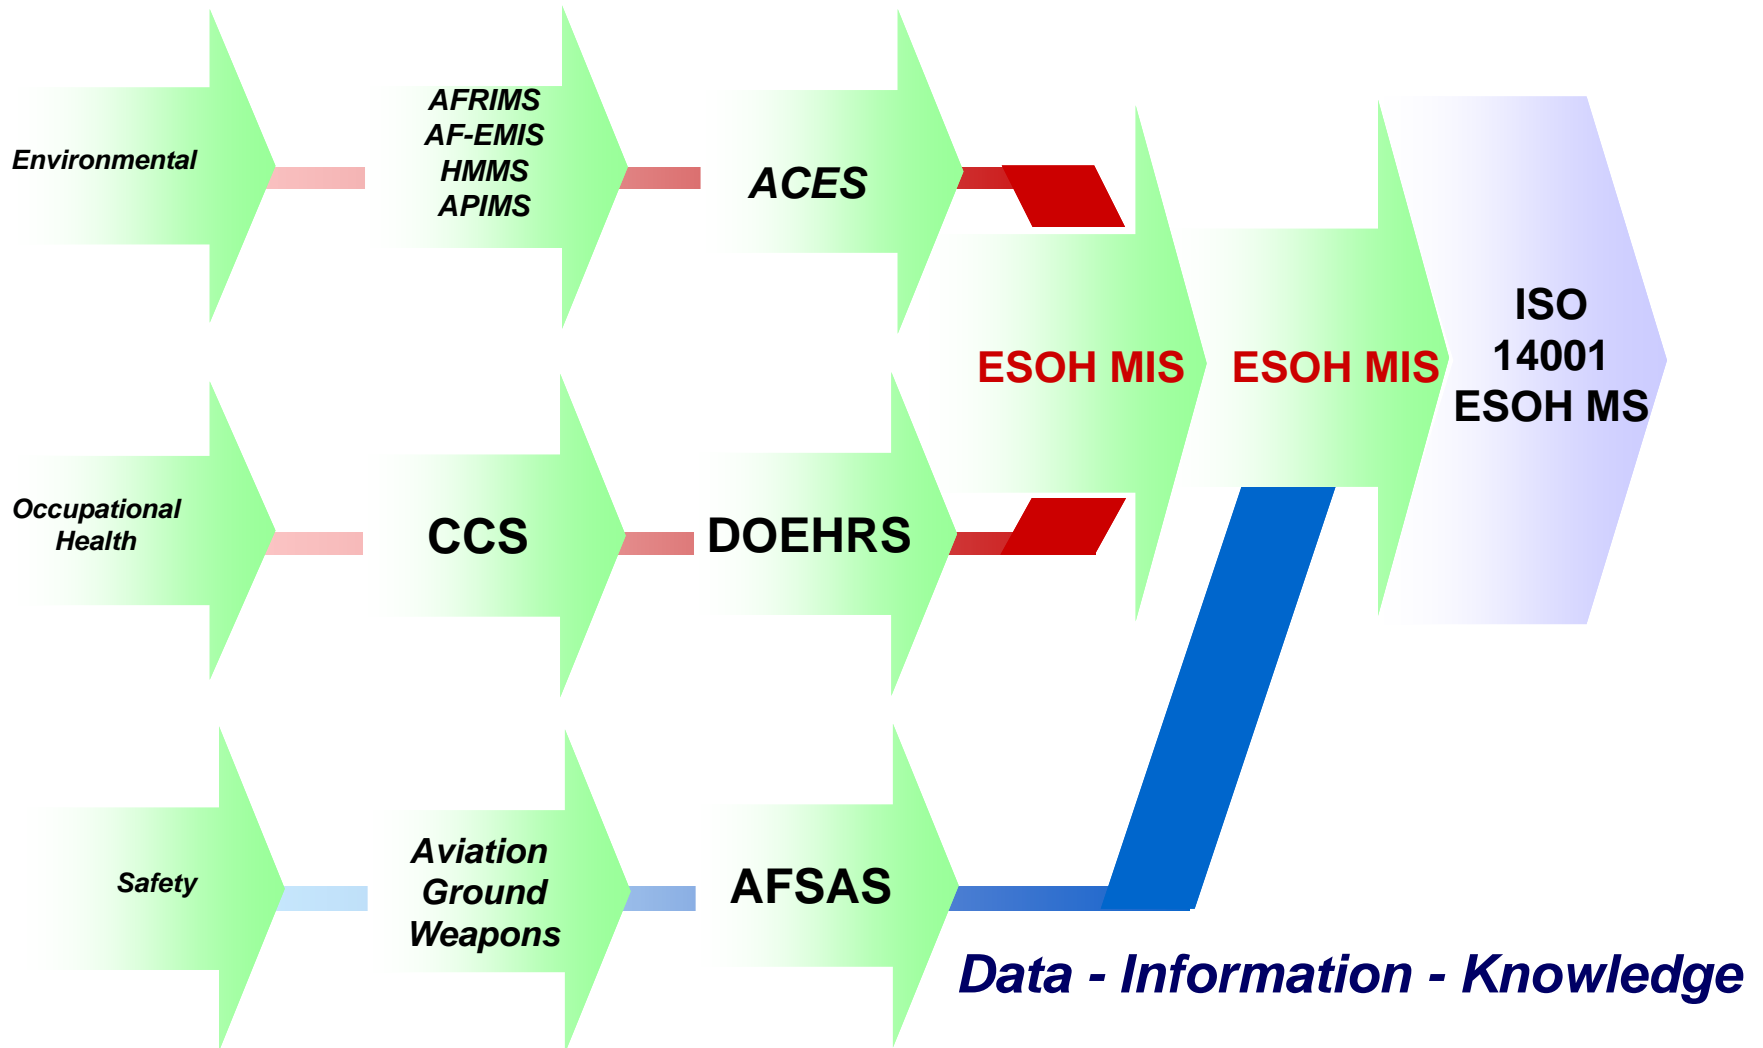

# *History*

- **Command Core System (CCS) – 1997**
- **DOEHRS-IH = CCS replacement**
- **Plan – Integrate DOEHRS-IH into an Enterprise Environment, Safety and Occupational Health Management Information System (EESOH MIS)**

U.S. AIR FORCE

# Goal: *EESOH-MIS*

*Integrity - Service - Excellence*

U.S. AIR FORCE

---

## *Current Situation*

- **EESOH-MIS deployment delayed significantly**
- **AF has proceeded with modified Limited Deployment of DOEHRS-IH**
- **Delay has created funding challenges**

U.S. AIR FORCE

---

# *Challenges and Risks*

- **Strong DoD desire: AF deploy DOEHRS-IH**
- **Chosen Strategy vs. Dictated Strategy**
- **Delay = Cost**
