

DoD Safety & Health Update

to the
DoD Safety & Health Forum – 2008

Office of the
Deputy Under Secretary of Defense
(Installations and Environment)

Environmental Readiness & Safety Directorate (ER&S)

John Seibert, CIH, CSP

Asst for Safety, Health & Fire

Overview

Acquisition, Technology and Logistics

- DoD Strategy
- OSD Portfolio (our Products)
 - Policy
 - Oversight
 - Resource Advocacy
- Hot Topics

Safety & Health Strategy

Acquisition, Technology and Logistics

Defense Installation Strategic Plan (DISP)

<http://www.acq.osd.mil/ie/>

- **GOAL 2 - RIGHT QUALITY**
 - Furnish workplaces free from recognized hazards.
- **GOAL 3 - RIGHT RISK**
 - informed risk decisions at the appropriate level of leadership
- **GOAL 5 - RIGHT MANAGEMENT PRACTICES**
 - ESOH management systems

OSD ER&S - Portfolio

Acquisition, Technology and Logistics

- Safety & Health (including acquisition support)
- Installation Emergency Management
 - Installation Protection Steering Group Action Plan
 - Fire & Emergency Services
 - Homeland Defense / CBRNE Support
- Explosives Safety Management Program (DoD Explosives Safety Board)
- Overseas Environmental Programs
- Sustainment of Mission Capability
 - Encroachment, Readiness and Environmental Protection Initiative
 - Buffer Zones, Outreach to State and Environmental NGOs
- Security Cooperation
- Operational Support – Integration of ESOH into Operations
- Supporting Global Defense Posture Realignment

S&H Policy

Issued *

Acquisition, Technology and Logistics

- Injury Reporting Requirements
USD(AT&L) policy memo (February 2007)
- Defense Acquisition System Safety - ESOH Risk Acceptance
USD(AT&L) memo (March 2007)
- DoD Instruction 6055.15, DoD Laser Protection Program
(May 2007)
- DoD 6055.05-M, Occ. Med. Examinations and Surveillance Manual
(May 2007)
- DoDI 6055.07, Accident Investigation, Reporting, and Record
Keeping, (Change 1, April 2008)
 - safety investigations for Friendly Fire
- Minimum Data Requirements for Mishap Reports (version 2)
ADUSD(ESOH) memo (May 2008)

<http://www.acq.osd.mil/ie/safety.shtml>

Obstacles to Policy

Acquisition, Technology and Logistics

Pace of Policy Change

Acquisition, Technology and Logistics

S&H Policy

What's changing

Acquisition, Technology and Logistics

- DoDI 6055.05, Occupational & Environmental Health (formerly “Industrial Hygiene and Occupational Health”) (coordination complete - prepared for signature)
- DoDI 1010.15, Smoke-free Workplaces (in coordination for cancellation – already in CFR)
- DoDI 6055.4, DoD Traffic Safety Program (formal coordination – Oct 2008)
- DoDI 6055.07, Accident Investigation, Reporting, and Record Keeping (complete revision – FY09)
- DoDI 6055.1, DoD Safety and Occupational Health (SOH) Program (revision – FY09)
- DoDI 6055.8, Occupational Radiation Protection Program (revision – FY09)

Oversight

Acquisition, Technology and Logistics

- DoD IG Assessments
 - Safety and Occupational Health Accountability in DoD Individual Performance Evaluation (Sept 2007)
 - “Safety Survey” (July 2008)
(National Safety Council Safety Barometer)
<http://www.dodig.osd.mil/Inspections/IE/Reports.htm>
 - Injury Reporting (In Progress – Fall 2008)
- Annual Report to OSHA (all DoD Components)
- Annual SOH Program Reviews (MILDEPTs, DLA)
- Oversight strategy in development
 - Align OSD with DoD Components’ program oversight

Resource Advocacy

Joint Basing

Acquisition, Technology and Logistics

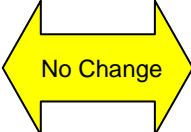

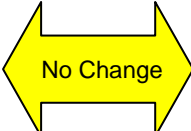

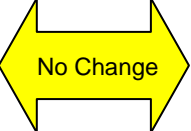

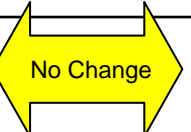

- Joint Bases
 - Little Creek – Story
 - Myer – Henderson Hall
 - Andrews – Naval Air Facility Washington
 - Langley – Eustis
 - Anacostia – Bolling
 - Elmendorf – Richardson
 - Pearl Harbor – Hickam
 - Navy Base Guam – Andersen AFB
 - Lackland-Sam Houston – Randolph
 - Charleston AFB – Naval Weapons Station Charleston
 - McGuire – Dix – Lakehurst
 - Lewis – McChord

Standards Development

Installation Safety

Acquisition, Technology and Logistics

Program Element Area: V. Command Support				
Program Element: PE***XX				
Sub-Function	Performance Standards	Anticipated Cost Drivers	Reference	Est. Cost Impact
Training *	Provide Safety Training	Requests for Training	DoDI 6055.1, 6055.4	
Inspections, Evaluations, and Tech Consults *	Provide inspections, evaluations, and technical consultations	Requests for Inspections, Evals, and Tech Consults	DoDI 6055.1	
Mishap and Near-Miss Investigations *	Provide mishap and near miss investigations	Historic Number of Mishaps and Near-Misses	DoDI 6055.7	
Safety Awareness Promotions	Deliver awareness programs	Military, Family Members, DoD Civilians on installation	DoDI 6055.1	

* Requires further decomposition in installation MOAs to identify Supported vs. Supporting organization functions and funding

Program Element Structure

INSTALLATION SERVICES CATEGORIES

Acquisition, Technology and Logistics

I. Housing Services	II. Community Services	III. Operational Mission Services	IV. Information Technology Services Management	V. Command Support	VI. Human Resources Management	VII. Security Services	VIII. Logistics Services	IX. Environmental
---------------------	------------------------	-----------------------------------	--	--------------------	--------------------------------	------------------------	--------------------------	-------------------

Family Housing Services	Child and Youth Programs	Airfield Operations	ITSM	Command Support	Civilian Personnel Services	Inst. Law Enforcement Operations	Supply Logistics	Environmental Compliance *56
Unaccompanied Personnel Hsg Services	Warfighter and Family Services	Port Services		-Command Mgt -Installation Public Affairs -Legal Support -Financial Mgt -Mgt Analysis -Procurement Ops -Inst. Safety -Inst. Chaplain Ministries -Inst. History	Military Personnel Services	Inst. Physical Security Prot & Services	-SSD (Non-Munitions) Community Logistics	Environmental Conservation *53 Pollution Prevention *54
	Morale, Welfare, and Recreation (MWR)						-Laundry and Dry Cleaning -Food Services	Environmental Restoration *08
	Lodging						Transportation Logistics	
				Collateral Equipment				

Legend:

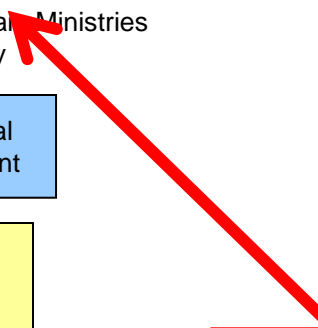

No changes To PE

New PE

-Functions under PE

- PE series that will become historical:
- *19 Child Development
 - *20 Family Services
 - *28 Printing and Pubs
 - *45 Family Housing – Operations
 - *79 Unaccompanied Housing Operations (UHO portion only, not Facilities Operations)
 - *90 Visual Information Activities
 - *95 Base Communications
 - *96 Base Operations

Command Support
• Installation Safety

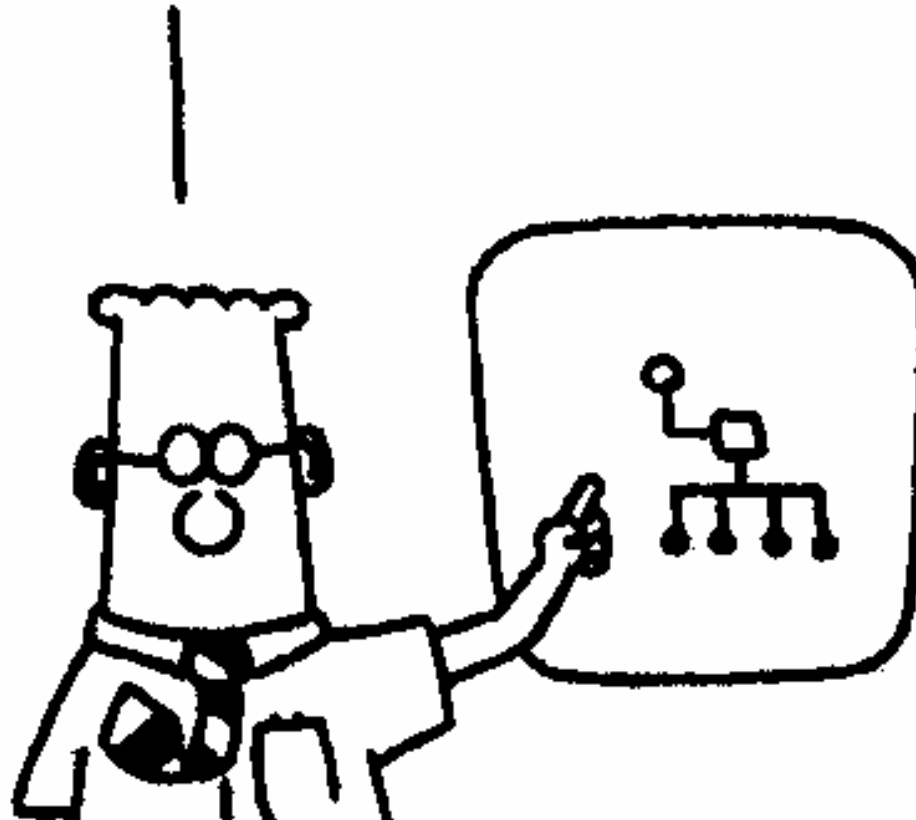

Hot Topics - Safety & Health

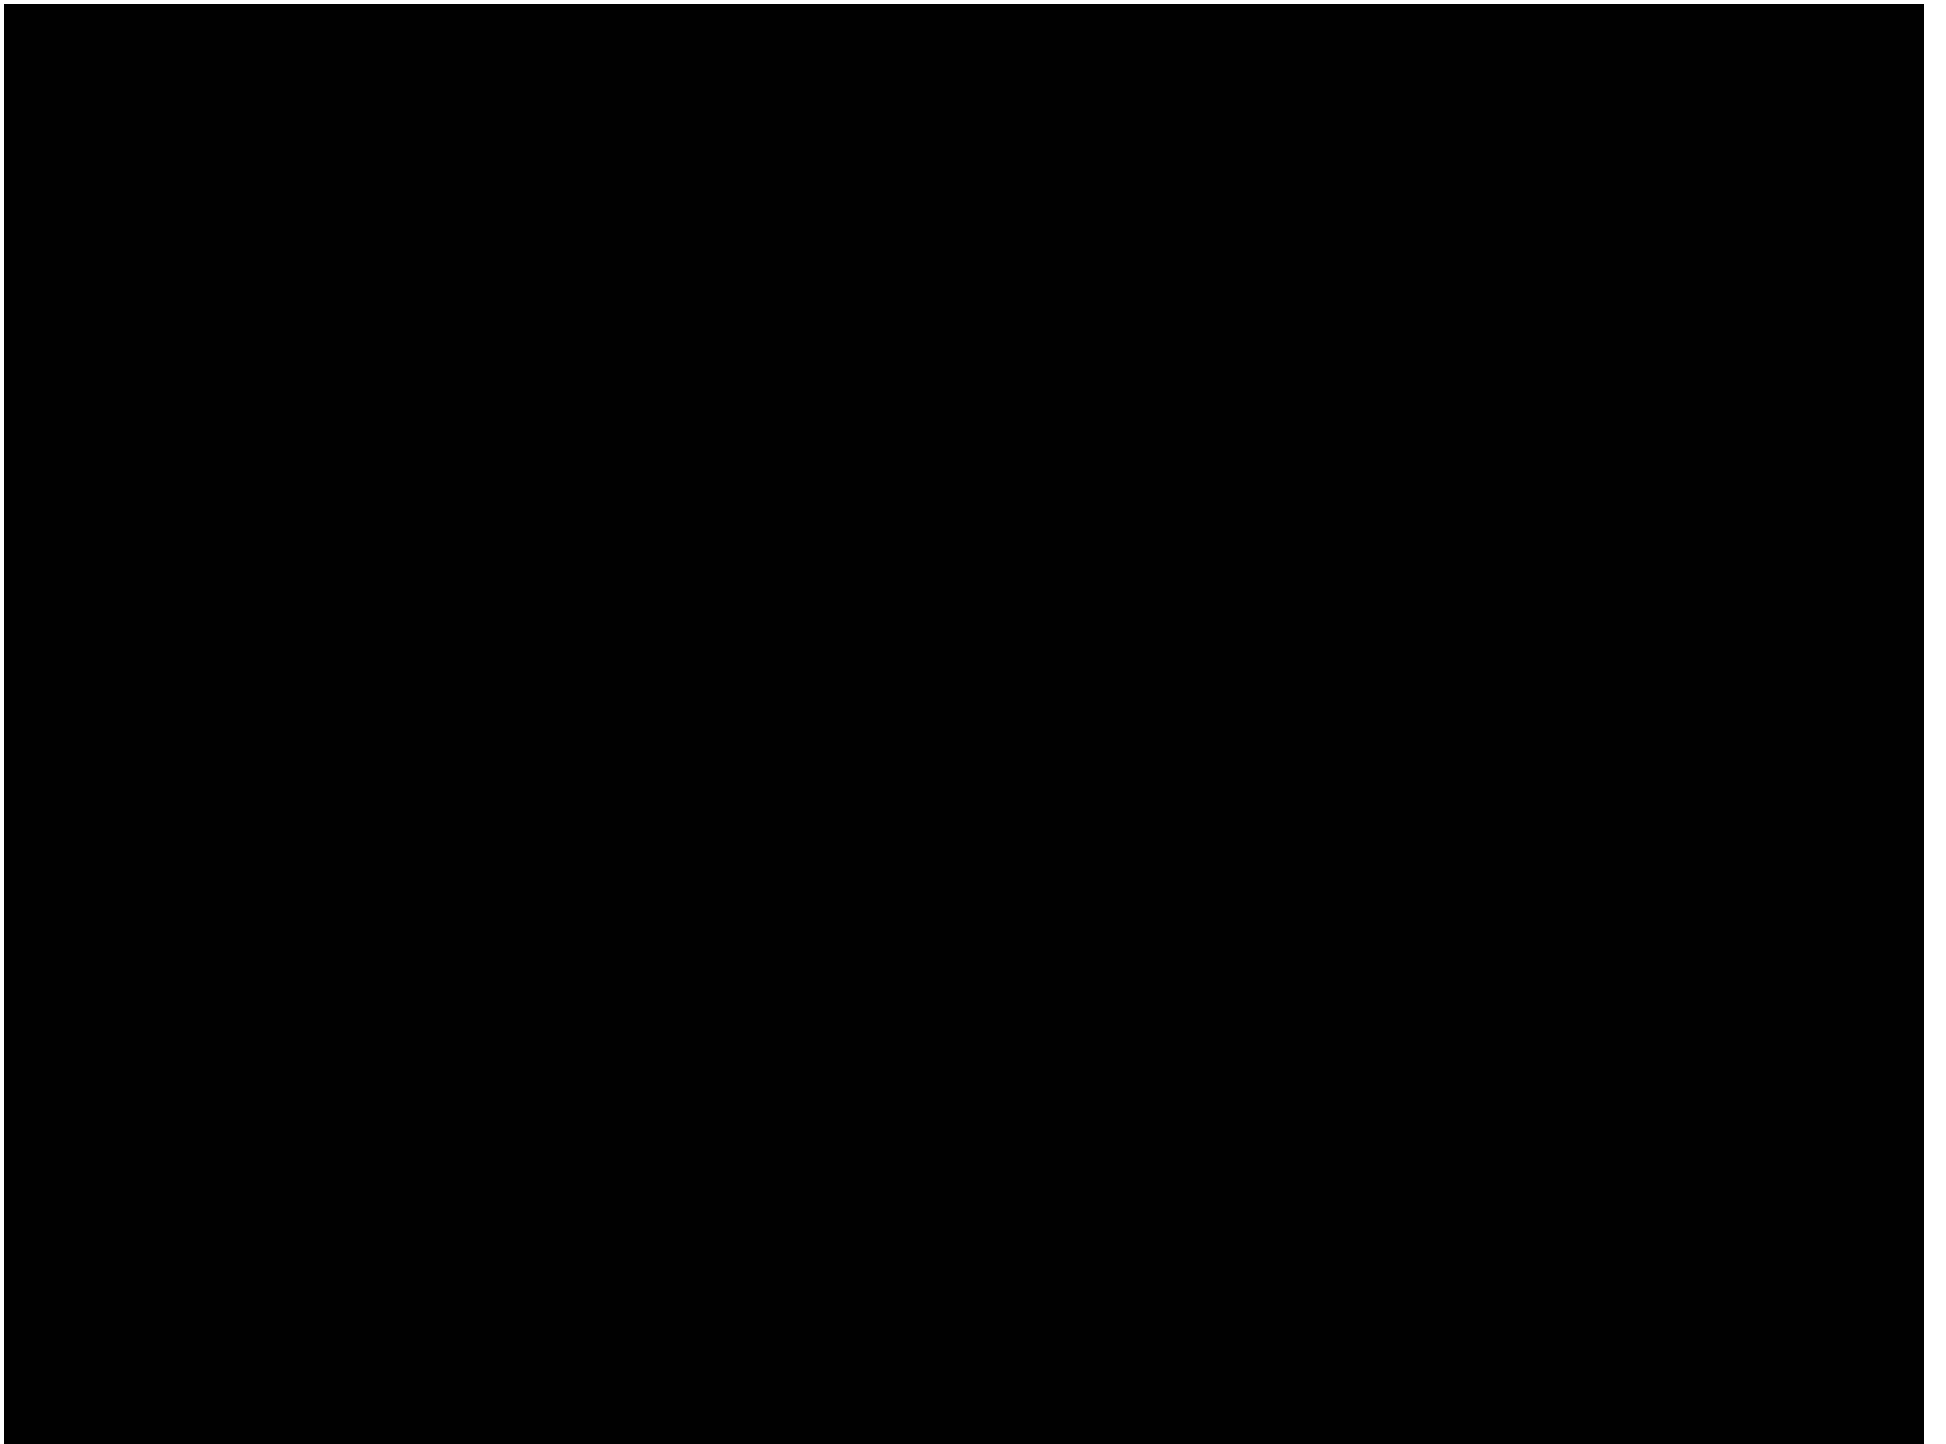

Acquisition, Technology and Logistics

- **Electrocution fatalities in Iraq**
(Mr. Richard Wright)
