Note:				
* Based on FYDP funding profile: assessemnts outside the FYDP fudning profile are listed as "unprogrammed"				
** Initially all quantitative assessments will be listed as "unprogrammed".FY will be shown when/if a quantitative assessment is needed & sched				
The decision to list individual ranges or range complexes will be based on how the assessments are packaged and scheduled.				
In other words, if individual ranges in a complex are scheduled different FY, then they should be listed separately.
