

Alaska Eielson AFB

Facility and Location

Eielson Air Force Base (AFB), located near Fairbanks, is home to the 354th Fighter Wing, which is part of the 11th Pacific Air Forces. The Wing's mission is "to train, deliver, maintain and support combat power across the globe while taking care of our people, their families and our infrastructure." To accomplish that mission, the wing implements flying operations, mission support, maintenance, and medical care functions, and is host to ten tenant units.

Media Sampled and Findings

Groundwater — In 2008, one sample detected perchlorate at 0.04 ppb. In 2007, one sample detected perchlorate at 0.06 ppb. Prior to 2007, one of two samples detected perchlorate at 2.51 ppb.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
