

Florida NSA Panama City

Facility and Location

The largest tenant at Naval Support Activity Panama City (NSA PC) is Naval Surface Warfare Center Panama City (NSWC PC) is one of the major research, development, test, and evaluation laboratories of the Navy. It boasts a wide base of expertise in engineering and scientific disciplines in the mission areas of mine warfare, expeditionary warfare, special warfare, and diving and life support. NSWC PC and the other three major tenants, the Navy Experimental Diving Unit, the Naval Diving and Salvage Training Center, and the Center for Navy Ordnance Disposal and Diving, make NSA PC the consolidated site for all Navy diving and salvage research, development, testing, and training.

Media Sampled and Findings

Drinking Water — In 2007, six samples reported no detection.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
