

## Hawaii

### MCBH Kaneohe Bay

---

#### ***Facility and Location***

Marine Corps Base Hawaii (MCBH) Kaneohe Bay is located on 2,951 acres, approximately 12 miles northeast of Honolulu. The base occupies the Mokapu Peninsula, which connects to the mainland near the cities of Kaneohe and Kailua. At MCBH Kaneohe Bay, the headquarters provides administrative, housing, legal, logistical, morale, and recreational support services. MCBH Kaneohe Bay is home to the III Marine Expeditionary Forces, 1st Radio Battalion, and Marine Corps Air Facility, Kaneohe Bay.

#### ***Media Sampled and Findings***

**Drinking Water** — In 2007, three of seven samples detected perchlorate from 0.24 to 0.33 ppb. Prior to 2007, seven samples reported no detection.

#### ***Appropriate Action***

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
