

Iowa Camp Dodge

Facility and Location

Camp Dodge, located near Johnston, serves as the major training area for the Iowa Army National Guard as well as the headquarters of the Iowa National Guard.

Media Sampled and Findings

Drinking Water — In 2011, two of two samples reported no detection.

Groundwater — In 2008, 8 of 11 samples detected perchlorate from 0.09 to 1.05 ppb.

Appropriate Actions

An assessment is also being conducted from 2011 to 2012 to determine where future sampling may occur. To date, all samples are below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
