

Louisiana Camp Villere

Facility and Location

Camp Villere is a Louisiana Army/Air National Guard camp located near Slidell. In 1996 the Louisiana Army National Guard signed a Management Agreement with the Nature Conservancy covering 1,500 acres at Camp Villere which is part of the East Gulf Coastal Plain ecoregion. Members of the Counter Drug Task Force conducted a two day light armored vehicle training at Camp Villere in February 2001. The training included driver's training, operator maintenance and mission capability.

Media Sampled and Findings

Drinking Water — In 2011, two samples reported no detection.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
