

## Louisiana NSA New Orleans

---

### ***Facility and Location***

In February 1849, land on which Naval Support Activity (NSA) New Orleans now stands was purchased for an intended Navy yard. The Navy yard was not built and the land was leased for farming. In May of that year, additional land was purchased to enlarge the original site.

NSA New Orleans is the home to Marine Forces Reserve headquarters along with many other tenant commands. It maintains a strong military presence in Louisiana's largest city.

### ***Media Sampled and Findings***

**Drinking Water** — In 2007, two of two samples detected perchlorate at 0.41 and 0.44 ppb. Prior to 2007, two of two samples detected perchlorate at 0.29 and 0.33 ppb.

### ***Appropriate Actions***

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
