

## Michigan Grand Ledge Field Maintenance Shop

---

### ***Facility and Location***

The Grand Ledge Field Maintenance Shop (FMS) consists of three acres west of Lansing near the Abrams Municipal Airport. It is comprised of the FMS building, a waste storage building, an asphalt parking area, and a fenced motor pool area. Residential and agricultural properties are located to the north and west (across Wright Road) of the facility. The Grand Ledge FMS is engaged in organization and limited maintenance of federal equipment including maintenance on military vehicles.

### ***Media Sampled and Findings***

**Drinking Water** — In 2011, six samples reported no detection.

### ***Appropriate Actions***

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
