

Texas

Wichita Falls Field Maintenance Site

Facility and Location

The Wichita Falls Field Maintenance Site is located in northern Wichita Falls on the Texas-Oklahoma border. It provides training support for the Texas Army National Guard including vehicle maintenance and repair.

Media Sampled and Findings

Drinking Water — In 2011, one of two samples detected perchlorate at 0.03 ppb.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
