

Washington NB Kitsap– Keyport

Facility and Location

NB Kitsap– Keyport is located in the Puget Sound area. The Naval Undersea Warfare Center Division Kitsap located there is a shore command of the Naval Sea Systems Command and one of two divisions of the NUWC Division Newport. The center provides test and evaluation, in-service engineering, maintenance and repair, fleet readiness, and industrial base support for undersea warfare systems, countermeasures, and sonar systems. NUWC has detachments in California, Hawaii, Nevada, as well as British Columbia and Canada. There are no operational ranges or open burn/open detonation sites at NB Kitsap– Keyport. A Memorandum of Agreement has been signed between Naval Base (NB) Kitsap– Keyport and the local drinking water utility to provide water to the installation for fire emergencies only. Local potable water is not consumed at NB Kitsap– Keyport.
