

APPENDIX O: Fines and Penalties Assessed

COMPLIANCE

This appendix meets the requirements for fines and penalties analysis under 10 USC §2706(b) as amended by National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2006. The analysis is presented with data from FY2005 and the four preceding fiscal years.

It includes a summary of fines or penalties assessed against DoD and the military Components under federal, state, or local environmental laws. Any fines or penalties that exceed \$1,000,000 are listed separately with the associated law under which such fines or penalties were imposed or assessed.

The FY2006 NDAA eliminated many of the fines and penalties reporting requirements in 10 USC §2706(b) as amended by the FY2000 NDAA. This appendix no longer includes the amounts of fines and penalties imposed or assessed with respect to each military installation. Also, reporting the amounts paid on fines and penalties as well as information on supplemental environmental projects is no longer required.
