

AMERICA'S ARMY:

THE STRENGTH OF THE NATION

Proposed Program Comment for
Army Constructed
Inter-War Era Historic Housing (1919-1940)

Consultation Conference Call

8 April 2020

Public Educational Materials

David Guldenzopf, Ph.D.
Army Federal Preservation Officer

Public Educational Materials

- **Background:**
 - The Department of the Army notified the Advisory Council on Historic Preservation (ACHP) by letter dated 19 Sept 2019 of its intent to seek a *Program Comment for Army Inter-War Era Historic housing (1919-1940)*
 - The Department of the Army published a notice in the Federal Register (Vol 84, No 28, Oct 2019) seeking public comment regarding its intent to request a Program Comment from the ACHP for Army Inter-War Era Historic Housing (1919-1940)
 - The Army Program Comment notification letter to the ACHP and the Army Federal Register notice proposed a number of preservation and treatment measures to ensure the effects of Army management actions on this historic housing are taken into account
 - The Army stated that it would develop Inter-War Era housing *public educational materials* as one of its treatment measures proposed to be included in the Inter-War Era Housing Program Comment

Public Educational Materials

- **Program Comment Mitigation Plan:** Army provided an extensive Program Comment mitigation plan spanning 2020 to 2024 that includes preparation of *public educational materials and social media distribution* in its 8 Jan 2020 *Program Comment Consultation Conference Call Briefing* “Effects and Treatment Measures” located at <https://denix.osd.mil/army-pchh/home/>)
- **Public Educational Materials and Social Media Distribution**
 - Public Website: Army will maintain a public website *Program Comment for Inter-War Era Historic Army Housing* <https://denix.osd.mil/army-pchh/home/>
 - ✓ Public educational materials developed for the Program Comment will be maintained and available to the public at this location
 - ✓ Public educational materials will include new and existing historic contexts, Design Guidelines, and other historical documentation containing plans and designs of the housing, neighborhoods, historical landscape plans, and overall installation design, layout, and planned development of Army installations

Public Educational Materials

- **Public Educational Materials and Social Media Distribution**
 - Twitter
 - ✓ The Army will use the twitter site hosted by the Defense Environmental Information Exchange platform at <https://twitter.com/DENIXnews>
 - ✓ The Army Federal Preservation Officer will develop a monthly tweet using the information developed for the Program Comment for Inter-War Era housing, information pertaining to other Army historic preservation activities, and other Army historic property types
 - ✓ Army previously used this twitter site for Army Earth Day and received over 14,000 views and re-tweets of our Earth Day tweets posted daily during the month of April 2019
- **Public Educational Materials and Social Media Distribution** will continue over the duration of the Program Comment mitigation period from 2020 to 2024.
