

Historic Contexts & Histories Catalog for DoD's Historic Built Environment

Historic Context for Evaluating Mid-Century Modern Military Buildings (11-448)

Develop a model context to evaluate military buildings constructed from 1950 to 1970 for architectural significance under National Register Criterion C, as examples of mid-century architecture.

Historic Context of Rural Industry Sites in the Sand Hills region of Georgia, South Carolina, and North Carolina (09-436)

Explore documentary research and on-site file reviews of identified rural industrial sites in the Sand Hills Region of Georgia, South Carolina, and North Carolina.

Historical and Biographical Catalog and Inventory of Architectural and Engineering Firms (09-434)

Prepare a historical and biographical catalog and inventory of Cold War architectural and engineering firms that highlights the critical role played by such firms in military architectural design during the Cold War.

Historical and Architectural Overview of Aircraft Hangars of the Reserves and National Guard Installations from WWI through the

Regional Cold War History for US Military Installations in Guam and the Northern Marianas (09-454)

Develop a regional Cold War history for US military installations, including Air Force, Navy, and Army, in Guam and the Northern Marianas Islands.

DoD Installation Recreational Facilities Historic Context (08-388)

Provide a DoD-wide context and history of military recreation facilities of the Revolutionary War period to the present-day.

Nationwide Context and Inventory of a Building Type, the Test Cell or Hush House, on DoD Installations (07-342)

Develop a national context for a building type, the test cell or hush houses on current DoD installations.

It's a Cold World: The Air National Guard's Role in Defending America, 1946-1989 (07-340)

Develop a historic context study of the Air National Guard (ANG) during the Cold War era, 1946-89.

Nationwide Context, Inventory, and Heritage Assessment of Works Progress Administration and Civilian Conservation Corps Resources on DoD Installations (07-357)

Provide a national context for Works Progress Administration and Civilian Conservation Corps projects on military installations and an inventory and evaluation of these resources on current DoD installations.

Nationwide Historic Context Study: The Role of the National Guard in the Civil Rights Movement (07-366)

Examines the role of the National Guard in the Civil Rights Movement from the 1950s to the 1960s.

A Historic and Native Context Study of the Role of Alaska's Military Complex during the Cold War (06-261, 05-261)

Provide a record of the Cold War significance of Alaska Army National Guard members providing homeland defense guarding the farthest western and northern U. S. borders.

Nationwide Historic Context Study of United States Army Reserve Centers (06-295)

Examine DoD's nationwide Army Reserve Centers.

A Historic Context and Database for the Military-Industrial Complex in the State of Texas (06-231, 04-231)

Develop a historic context and database for military/national defense historic resources in the state of Texas.

DoD Installation Support Facility Historic Context (06-296)

Provide a DoD-wide context and history of necessary installation support facilities, including hospitals, exchanges, commissaries, post offices, service clubs, theaters, chapels, physical fitness centers, and libraries.

Nationwide Assessment of Adaptively Reused Industrial Buildings in the DoD (06-332)

Inventory and evaluate DoD historic former industrial buildings that have been adaptively re-used in recent years; building types investigated were administrative, training, medical, research and development, utility and industrial.

Context, Inventory, and Heritage Tourism Assessment of WWII POW Camps on DoD Installations (05-256)

Develop a national context for WWII POW Camps in the United States, inventory the WWII POW Camps on DoD installations and evaluate a representative sample of extant WWII POW Camps.

DoD Ranges and Training Area Historic Context (05-265)

Develop a historic theme and context study for DoD training areas and ranges.

The Built Environment of Cold War Era Servicewomen (05-194, 03-194)

Provide a DoD-wide historic context for evaluating aspects of the built environment associated with Cold War Era Servicewomen.

Historic Context of Georgia's Military Installations (03-175)

Provide a historic context for the military installations within the state of Georgia.

Traditional Lands, Sacred Sites and the US military in arctic Alaska in the 20th century (03-156)

Provide site inventory and descriptions, historical context for locally important themes, including the Cold War, and make recommendations for consultation and protocols for land use decision-making.

Historic Context Study and Stewardship of Historic Military Family Housing in Hawaii (00-137)

Consolidate all information about the military historic housing in Hawaii.

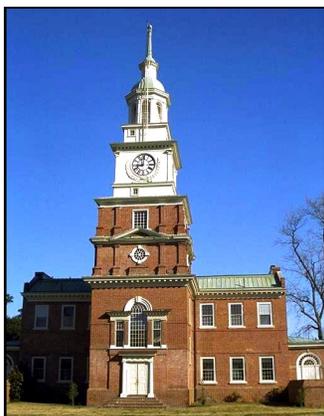

A Historic Context for the African American Military Experience (98-1762)

Develop a historic theme and context study for the African American military experience.

Mundane Military Permanent Structures & Facilities Inventory & Evaluation (93-900)

Examine mundane military structure and facilities to develop evaluation criteria to assist in making determinations of eligibility within a DoD framework.

“Historic contexts are those patterns or trends in history by which a specific occurrence, property, or site is understood and its meaning (and ultimately its significance) within history or prehistory is made clear”. ~National Register

Historic contexts assist DoD cultural resource managers with NHPA requirements. They provide photographic documentation, illustrations, building plans and criteria that assist in the evaluation of historic significance and NRHP eligibility characteristics.

The Department of Defense Legacy Resource Management Program funds efforts that preserve natural and cultural heritage on military lands while supporting military mission needs.
