U.S. AIR FORCE

Cultural Resource Program

■ AFI 32-7065 – Cultural Resource Program

■ Historic Facilities:

- ~ 99,000 buildings in AF inventory
- 4,548 (4.6%) of AF properties listed or eligible on Register
- ~ 24% of buildings ≥ 50 years are “historic facilities”
- 123 AF installations contain significant cultural resources requiring implementation of an ICRMP
 - Developed and implemented as level 1 requirement

■ Archeology:

- 8 Million acres of land (1.7M Acres surveyed)
- 15,318 Archeological sites (1,685 listed or eligible)

■ Native American Resources

- Traditional cultural properties/sacred sites have been identified at a number of our installations

As of:

Integrity - Service - Excellence

6

AF Real Property Inventory (ACES RP)

U.S. AIR FORCE

■ Per E.O. 13287 & new DoDI 4165.14 our latest RPI requirement will:

- Accurately identify 100% of Historic facility by EOY FY 06
- 12 OSD Historic Status Codes for Facilities
 - e.g. NRLI, NREI, NCE, NREC, NHLI, DIL, ELPA
 - Data entered/maintained by CR Managers, NOT Real Property
- Exponentially improve our ability to make specific data queries
 - Old ACES RP only flagged facilities listed on National Register

■ Addressing additional CR data management needs:

- Under the AF EESOH-MIS program, AF continues to develop MCRAD (Military Cultural Resources Analysis Database) as a CR management tool
