

MICHIGAN DEPARTMENT OF NATURAL RESOURCES

INTEROFFICE COMMUNICATION

Roscommon, Michigan 48653
Region II
August 21, 1986

TO: William Schmidt, Wildlife Land Acquisition,
Lands Division, Lansing

FROM: Gary Boushelle, Regional Wildlife Biologist

SUBJECT: Kirtland's Warbler Land Acquisition Lists

Bill, according to your request, here are the priorities that the U.S. Fish and Wildlife Service needs:

(Any private lands within)

Priority 1 Management Units

Damon
Muskrat Lake
Pere Cheney

Priority 2 Management Units

Big Creek
Ogemaw Refuge
St. Helen

Priority 3 Management Units

Crapo Lake
Leota
Manistee River
North Branch
Sharon
Staley Lake
Clear Lake - Tomahawk Creek
Warbler Monument

The parcels desired within these units by priority are:

- 1) Those that have state or USF&WS borders on 3 or more sides for blocking in.
- 2) Larger acres have high priority.
- 3) Lack of improvements.

If you have any questions on this please call.
