**In celebration of its 40th anniversary,
OSHA announces a photo contest:**

Contest Deadline: 11:59 p.m. 12 August 2011

The contest challenges anyone with a passion for photography to capture an image of workplace safety and health and share it with OSHA. The goal of the contest is to kick off a national collaboration that relies on your talent, imagination, and creativity to raise awareness of workplace safety and health. You can interpret "image of workplace safety and health" in any way you choose; you are not restricted to particular subjects or themes.

Prizes will be awarded for the most outstanding portrayals of occupational safety and health in terms of artistic value and ability to raise awareness of safety and health to the general public. Specifically, photographs will be judged against the following criteria:

- Quality of photograph
- Suitability for possible use in OSHA publications
- Clarity of the safety and health information (or "message") conveyed
- Originality
- Creativity
- Inclusion of worker, employer, or workplace imagery

**For full contest rules, prizes and winner selection process, expert panel of judges,
and frequently asked questions—and to SUBMIT YOUR PHOTO—go to:**
