

DoD Ergonomics Working Group NEWS

Issue 120, August 2011

www.ergoworkinggroup.org

*National Ergonomics Month is coming up
and we would like to publish your success story
in our October issue!*

 Our most popular newsletter issues have focused on success stories from our ergonomics community. The lessons learned in the field are invaluable, and sharing them with your peers spreads the knowledge and experience. We are looking for innovative interventions that are simple, cost effective, and reduce ergonomic risk.

**Sample success story newsletters are available at
www.ergoworkinggroup.org**

Click on Publications and then Newsletters. In the Subject Index, look at the Best Practices published by your peers and then send us your story.
