

# DoD Ergonomics Working Group NEWS

Issue 97, October 2009

[www.ergoworkinggroup.org](http://www.ergoworkinggroup.org)

*October is National Ergonomics Month*  
and we are taking this opportunity to reach out  
to you for your ergonomics success stories!

As 2009 comes to a close, we will hit a publishing milestone: the DoD Ergonomics Working Group will publish its 100th newsletter!

In celebration of this achievement, in 2010 we would like to focus our efforts on publishing the success stories of our loyal readers. The lessons learned in the field are invaluable, and sharing them with your peers spreads the knowledge and experience to all of our ergonomics programs.

## **SAMPLE SUCCESS STORY NEWSLETTERS**

Go to [www.ergoworkinggroup.org](http://www.ergoworkinggroup.org) and click on Publications and then Newsletters to view these past issues submitted by your peers:
