SUBJECT: FY11 Defense Environmental International Cooperation (DEIC) Program
Call for Proposals

This memo provides the schedule and guidance for submitting proposals for consideration in the Defense Environmental International Cooperation (DEIC) Program allocation of FY11 resources. The DEIC Program supports international engagement in pursuit of the strategic end states identified in the Secretary's Guidance for Employment of the Force and Theater Campaign Plans. The desired outcomes include building strategic partnerships, reducing regional tensions, and the sustainment of mission capability. The DEIC Program provides resources (expertise and ~ \$1.5M annually) to address emerging issues or compliment other USG resourced initiatives.

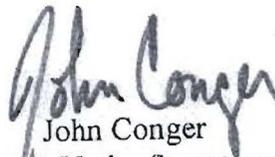

To be eligible, DEIC Program engagements must include working with foreign defense ministries to address an environmental issue that has implications for basing, training or operations. Involvement of civilian agencies, international organizations, and NGOs is encouraged. DEIC Program includes bilateral or multilateral collaboration to build partnership capacity by providing venues for: discussion; the development of sustainability frameworks / tools; and the sharing of best practices. Emphasis will be given to proposals that address energy, environment, safety and occupational health risk management in military adaptation to climate change and expeditionary camp operational sustainability.

The Combatant Commanders are requested to submit their FY11 proposals, by July 1, 2010, to Office of the Chairman of the Joint Chiefs of Staff ATTN: J-4ED Engineering Division (Mr. William Mackie) Room 2B884, The Pentagon; Washington, DC 20318-4000 to ODUSD(I&E/ERS). call to verify receipt of proposals: Mr. William Mackie at (703) 697-4443. Back-up electronic submittal to: William.Mackie@js.pentagon.mil with a copy to SClark@ida.org is strongly encouraged.

The Group will meet on Wednesday, September 15, 2010, from 900 to 1500 at the Institute for Defense Analyses, room 6701, 4850 Mark Center Drive, Alexandria, VA.
