

## Georgia SUBASE Kings Bay

---

### ***Facility and Location***

Naval Submarine Base (SUBASE) Kings Bay is located approximately 40 miles north of Jacksonville on 16,063 acres. It is the third largest naval facility in the continental U.S. Naval SUBASE Kings Bay is the East Coast homeport of the ballistic missile Trident submarines and is the only Navy base with the capability to support the Trident II missile, the most sophisticated nuclear missile designed to be launched from a submarine. Kings Bay is also homeport to two of the four reconfigured Ohio class guided-missile submarines. These boats carry conventional warhead tomahawk missiles.
