

Louisiana Claiborne AFR

Facility and Location

Claiborne Air Force Range (AFR) is a shared use, service Class A air-to-surface gunnery range suitable for conventional and tactical deliveries. The range is approved for day/night conventional training and limited laser operations and is suitable for close air support training. It is located in the Kisatchie National Forest, Calcasieu Ranger District, approximately ten miles southwest of Alexandria International Airport.

Media Sampled and Findings

Groundwater —In 2011, one of eight samples detected perchlorate at 1.1 ppb. In 2007, 13 of 16 samples detected perchlorate from 0.16 to 1.4 ppb.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
