

Oklahoma Clinton-Sherman Air Force Base

Facility and Location

Former Clinton-Sherman Air Force Base is located near the city of Burns Flat in Washita County. Prior to acquisition by the military, the site had been used for agricultural purposes. Between the times of Navy and Air Force occupation, the site was used to dismantle surplus aircraft under a contract with the War Assets Administration.

Media Sampled and Findings

Drinking Water — In 2007, three of five samples detected perchlorate from 0.71 to 1.8 ppb.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
