### NAS Corpus Christi

---

#### ***Facility and Location***

Naval Air Station (NAS) Corpus Christi, also known as Truax Field, is a naval base located six miles southeast of Corpus Christi in Nueces County. The official step leading to the construction of NAS Corpus Christi was initiated by the 75th Congress in 1938. NAS Corpus Christi was the only primary basic and advanced training facility in existence in the U.S. and once was the largest pilot training facility in the world.

Training at Air Wing Four produces approximately 400 newly qualified aviators each year. NAS Corpus Christi is also home to the Corpus Christi Army Depot, the largest helicopter repair facility in the world.
