Recognize when you may have encountered a munition. When possible, carefully either discard the munition overboard or secure it. Immediately notify the police if on land or the U.S. Coast Guard if on navigable waters.

**EMERGENCY CONTACTS:**

At sea:
Use Channel 16 (156.800MHz)
or call 800-424-8802

On shore: Call 911 (Local law enforcement)

- Munitions are dangerous, and may not be easily recognizable!
- Limit handling to the absolute minimum!
- Never bring a munition into port!
